Fall, 2019

Welcome to the new school year! 4-H Clubs provide out of school learning opportunities in a variety of different project areas, and we are always interested in developing new clubs and projects! Here is an update on some of our King George 4-H youth:

Our clubs work hard and are tough competitors at the state level. Two youth from the archery team won spots on the state 4-man team and competed in the National 4-H Shoot in Nebraska this summer. The shotgun team had three members on the 10-member state development team to compete at the national shoot.

These teams, along with our dog club and horse club, are preparing for competitions this fall. All our clubs accept new members throughout the year.

4-H is about more than local clubs. It's about learning life skills through experiential education. We have local opportunities to learn and discover through presentation contests, visiting the state capitol, Achievement Night, camping programs and service opportunities.

Teens! Mark your calendars for 4-H Congress at Virginia Tech:

June 22-25, 2020: It's the premier 4-H event for teens and includes a variety of fun and educational workshops, visits to the different colleges within Virginia Tech, talent competitions, presentation competitions, dances and other social activities. It's a great way to see Virginia Tech dorms, dining and meeting facilities and meet other outstanding 4-H teens from across the state!

4-H Summer Camp

Date available in September

King-Caroline is a 5-day, 4-night stay at the Northern Virginia 4-H Center near Front Royal, VA. Youth ages 9-13 enjoy activities including canoeing, swimming, ropes and confidence courses, arts and crafts, archery, and riflery. Nightly campfires are a camp favorite. Watch for applications in March! Counselor applications available in December, due in January, and include an interview and leadership training.
